

Fees for Copies Policy

Adopted: April 12, 2000

Black and White: Copy Machine, Microfilm Printer, and Computer Printer copies in Black and White will be charged \$.10 per copy. (If a patron needs information that is in a reference book that does not check out, we will photocopy up to 10 pages for free. This is for a legitimate reference question and will use a black and white copier.)

Color Printer: The cost for copies from the Color Printer is \$.25 per page.
