

## LAMINATOR POLICY

Anyone from the community who is over the age of 14 is eligible to use the laminator. They need to be responsible and follow the directions that come with the machine. We will provide some supplies to be used or the patrons may bring their own. If they are using our supplies we will set a price per item that reflects at least the actual per item cost. To keep pricing simple the amount may be rounded up to the next quarter increment.
