

Emergency Response Telephone Tree

(Unless specified, all area codes 812)

- The person who discovers an emergency (first responder) must call local emergency services, 911.
- The Director **MUST** be notified next, as immediately as possible.
- If the Director cannot be reached, the Director’s designated contacts must be called.
- After you receive a call, you must call your assigned contacts listed on the chart below.
- If you cannot reach the person you are supposed to call, then you need to call that person’s assigned contacts.
- Deviation from this calling protocol without authorization will cause confusion and may result in unnecessary delays—**HOWEVER**
- The Director may add or subtract contacts from each person’s list
