Meeting Agenda

Board of Trustees – Bloomfield-Eastern Greene County Public Library

Wednesday, January 12, 2022

ORIGINAL

1. Approval of Claims & Payroll
2. Approval of Minutes
3. Presentation & Approval of Treasurer's Report
 - Review and verification of completed year-end appropriation changes for 2021 as was preliminarily approved at the December 2021 Board meeting.
 - Review of the Internal Controls document presented at the December 2021 Board meeting and approval by the Board.
4. Personnel Report
5. Librarian's Report:
 - Update on Roof:
 - The initial insurance payment of \$12,482.13 was deposited during December with the funds encumbered for 2022 for payment when repairs are completed.
 - A second disbursement from the insurance company was received dated 12/23/2001 for \$7,773.02, but after consulting with our insurance representative Mark Babbs, he advised us to hold the check ensuring the option of asking for a different amount if the costs are more than what they sent. Mr. Babbs indicated they are good to work with, but that was a better was as by cashing the check yet we are not committing to the amount received.
 - We need to obtain a contractor that can handle a commercial roof such as the library with past work of a similar nature. After asking several for estimates and their experience we obtaining three estimates, who of which were close/comparable to the insurance company estimate. The third wanted to perform a complete roof redo with metal without shingles, but does do commercial buildings. The two remaining estimates are from:
 - Five Star Commercial Roofing, New Palestine, IN (locally) and is nationally recognized company. Their bid was \$35,320 and was approved by our insurance company.
 - Equity Builders of Bloomington, IN submitted a quote of \$29,596.
 - My recommendation is that we consider Equity Builders over Five Star as:
 - Five Star does NOT provide clearing of materials or dumpsters, which we would need to supply at an additional cost.
 - Equity Builders will take care of removal of materials and provide dumpsters.

- Equity Builders has done commercial replacement/repair on buildings like our such as the Mathis Museum, work at Indiana University, and have good recommendations.
 - Our out of pocket cost will be less with Equity Builders.
- Both Five Star and Equity Builders have stated costs could rise depending on materials and if more work is determined necessary.
- A copy of the insurance company letter detailing the replacement cost agreement is included in the packet materials.
- I will research other companies if the Board recommends doing so.
- Annex Lease Contracts
 - Obtain lease contracts next month with no increase being recommended for 2022
 - Currently 3% of the Annex involves leases for profit. If we add an additional occupant in the available office it, would increase leases for profit to 5%.
 - I have not discussed this Dawn Abrams, Assessor, but will when I am able.
- Updated Contract for Michele Rogers
 - Contract is being updated to reflect cleaning for all three buildings
 - Bloomfield – Main Branch and Eastern - \$1825.00 month
 - Annex - \$125.00 month
- E-Rate – Internet Vendors
 - Currently ENA @ Main Branch with 100Mb – Monthly \$1,675.00
E-Rate @ 70% reduces to \$502.50
 - Comcast @ Eastern Branch 75x15Mb – Monthly \$139.64
E-Rate @ 70% reduces to \$41.89
 - Obtained bids from four vendors: AT&T (Main Branch), Comcast (Both), ENA (Both), and Smithville (Eastern Only) with all being RFP compliant and matching what we requested
 - Rates were provided for different speeds to choose from (shown below without the E-Rate discount, which is 70%, on a monthly basis).
 - I recommend increasing the speed at the Main Branch from 100 to 200 or 300, as with the new cabling we will be able to handle it, and at Eastern from 75 to 100.
 - ATT does have a low cost, but their reputation for customer service is lacking. Comcast can be spotty when problems arise with no extra protection offered.
 - ENA, whom we have now, work well with us and will add an improved firewall for \$100/month, which with the expanded service, I believe is needed.

Main Branch

| | | | | | |
|---------|-------------------|-----|------------|-----|------------|
| ATT | 36-month contract | 200 | \$854.00 | 300 | \$999.80 |
| Comcast | 36-month contract | 200 | \$1,050.00 | 300 | \$1,020.00 |
| ENA | 36-month contract | 200 | \$1,275.00 | 300 | \$1,400.00 |
| Comcast | 60-month contract | 200 | \$946.00 | 300 | \$1,080.00 |
| ENA | 60-month contract | 200 | \$1,025.00 | 300 | \$1,150.00 |

Eastern Branch

Price wise, continuing with Comcast is significantly less due to not needing to add fiber optic lines to the Branch. We will be paying \$198.40/month with the upgrade to 100x 15Mb, making it much better for the cost. Contracts are available for 12, 24, or 36-month periods.

I recommend a 24-month contract considering that Smithville might extend Fiber to the Branch by that time.

Out of pocket cost will be \$59.50/month.

Overall, I propose we continue with ENA at Main Branch with a speed of 300. If we do not use that much, they will give us a discount for 60-months. Bottom line, it would be \$1,150.00 full price plus the \$100 additional for the firewall add on with an ultimate E-Rate cost of \$435.00. Together, we would be saving \$49.89 month.

- Homebound Delivery
 - I recommend that we consider resuming Homebound Delivery in the Bloomfield area with consideration to expand into smaller communities such as Scotland, Solsberry, and Owensburg at some point in the future.
 - I have an individual in mind to lead this effort and we will pay mileage for deliveries, but I believe our citizens age 65 and over is growing as we need to consider how we can best serve them.
 - We can ask local churches, the VFW, and the American Legion to help get the word out about this new service.
 - Our insurance policy will afford protection for this expanded service.
 - I seek Board approval to approach the individual I am considering as to whether or not they would be interested.
- Ongoing Electrical, Plumbing, Heating Cooling Maintenance/Repairs –
 - Graves has advised us that they will no longer be providing service. They are existing this part of their business.
 - Lonnie has contacted Kevin Byers who has indicated he will provide any necessary service ongoing. He believes he will be able to meet our needs.
 - Kevin had planned to stop by this past week and do a walk through with, but he is currently ill and will plan to do this as soon as he recovers.

Board of Trustees Meeting

Wednesday, December 8, 2021

The Bloomfield-Eastern Greene County Public Library Board of Trustees met Wednesday, December 8, 2021, at 5:00 PM in the Library Annex. Those present were Linda Maddox, Dwayne Hostetter, Roger Axe, Luke Rudisell, Martha Marmouze, Charlene Kluemper and Candice Patterson. Karen Holz – Director, and Lonnie Vandeventer – Treasurer/Bookkeeper were both present along with our newest incoming board member Jessica Blazier. Armonda Riggs was also in attendance.

Roger Axe called the meeting to order at 5:00 PM.

Roger officially welcomed Charlene Kluemper to the Board as well as our newest incoming Board member Jessica Blazier. Jessica will be filling the position being vacated by department Board member Candice Patterson.

Roger opening the floor for any nominations for officers for 2022. Martha made a motion that officers continue for 2022 as currently occupied. Linda seconded the motion. Motion carries unanimously.

Approval of Claims and Payroll:

Roger asked for a motion regarding claims and payroll. Luke made a motion seconded by Martha to approve claims and payroll. Motion carries.

Approval of Minutes:

Martha make a motion that the minutes be approved as submitted which was seconded by Candice. Motion carries.

Approval of Treasurer's Report and Personnel Report:

Lonnie provided an update via the Treasurer's Report indicating we continue to track well as we approach year-end. Candice made a motion that we accept the Treasurer's Report as submitted which was seconded by Dwayne. Motion carries.

Lonnie also submitted a request to modify the PTO policy detailing an update to the Personnel Manual. All employees are expected to use PTO for any time off that is not Library approved. Library approved instances of time-off include holidays, comp time or any instance of library closure as described otherwise including an instance of closure due to an epidemic/pandemic or other health emergency. If PTO is not available, the time-off will be recorded as time-off without pay. All instances of time-off without pay require approval of the Library Director. Employees are expected to manage their use of PTO effectively to prevent instances of time-off without pay. If an employee incurs three or more instances of time-off without pay within a 90-day period, the employee will be subject to disciplinary action including possible termination of employment. Martha made a motion to approve the recommended change in PTO policy which was seconded by Candice. Motion carries.

In addition, Lonnie provided an update on a change in the monthly pay date. Move of Payroll Check issue date from the 1st day of the month following the payroll period (i.e. pay period 11/25 – 12/24 with check previously being issued on 1/3/2022) to the last day of the month within the same month (check being issued on 12/30/2021). An update to the Personnel Manual is necessary, as per the separate document, detailing this change in policy. Board Approval was extended for this change at the last Board meeting. I also verified with the State Board of Accounts their approval of our proposed change and with our accounting software vendor, AVC, on how to implement the change. Luke made a motion to approve the pay date change which was seconded by Linda. Motion carries.

Finally, Lonnie also provided Board members with a printed copy of the Internal Controls document. After discussion, the Board agreed to table discussion and bring the document up for approval at the next Board meeting in January.

Luke made a motion to approve the Personnel Report which was seconded by Charlene. Motion carries.

Approval of Librarian's Report:
