Patron Usage

To maintain a sanitized environment for staff and patrons alike, library usage and resources will be limited. Please read on, as these limits will be enforced.

- Only **half** of the public computers will be available. The Macs will *not* be available.
- Patrons are not to use the furniture, loiter, or use the library for conversation.
- Patrons are limited to **one hour** in the library.

Though not enforced, the library *heavily encourages* the use of a mask. We will have 200 to give out to patrons who don't already have one. Please remember that use of a mask ensures safety for not only you, but those around you, regardless of whether you're ill.

- One-on-One programs are permitted *only* with use of a mask and 6' of distance.
