CEMETRIES
OF
WESTERN GREENE COUNTY,
INDIANA

Volume III of Cemeteries of Western Greene County, Indiana is a listing of FAIRVIEW CEMETERY, Linton, Indiana. It is located in Stockton Township. Due to the large number of listings for this cemetery, a separate book is being published.

Other publications for Cemeteries of Western Greene County, Indiana are:

Volume I - This book was published in 1985 and includes the cemeteries for the Townships of Fairplay, Grant, Jefferson, Smith, and Washington.

Volume II - Listings included in this Volume are the cemeteries of Stafford, Stockton (except Fairview Cemetery), and Wright Townships.

An Index of Names is included in each Volume for the names in that particular book.

A county road map for Western Greene County, Indiana, a map of Stockton Township showing location of each Cemetery, and a map of Fairview Cemetery are included in this book.

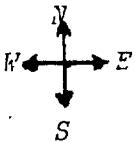

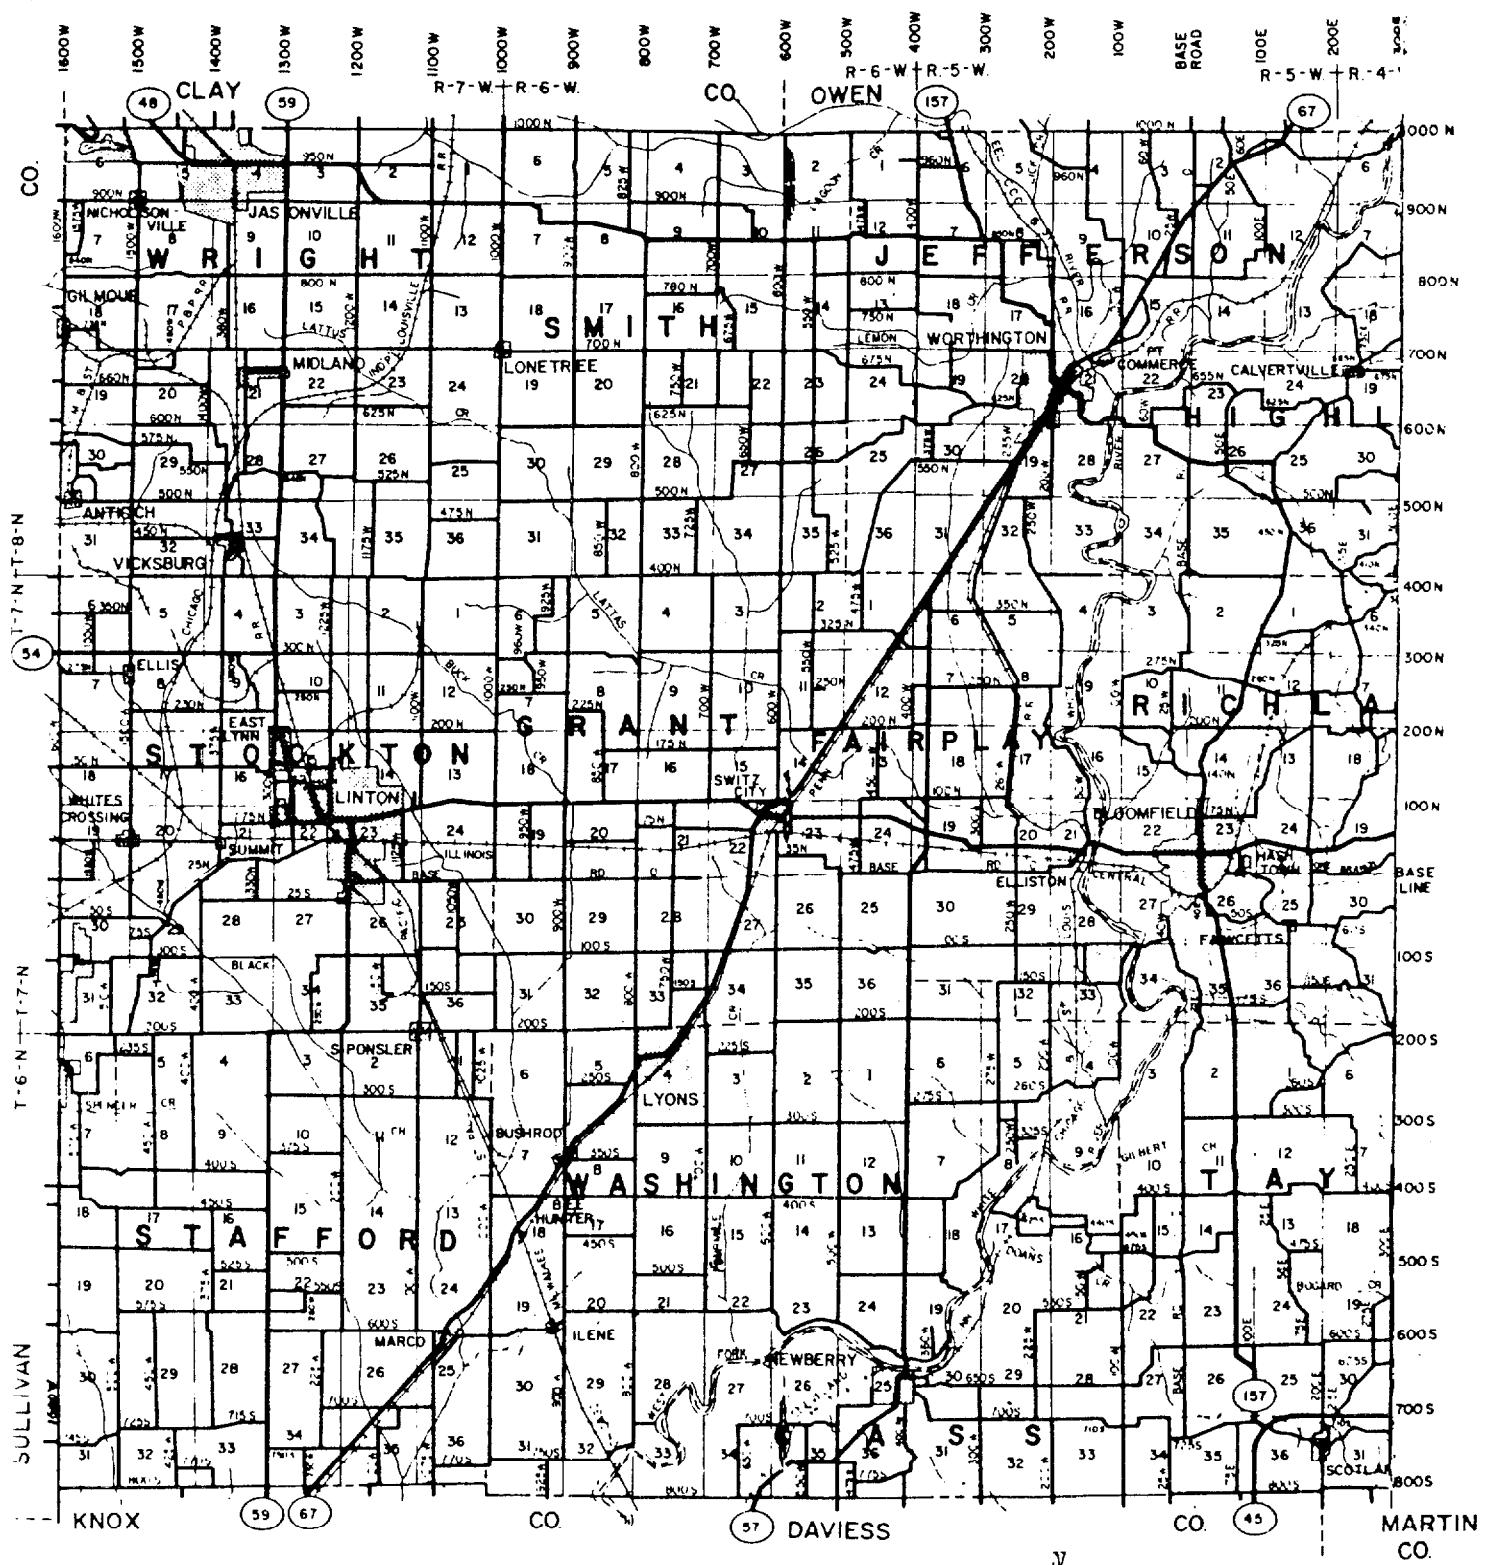

Every effort has been made to make a correct listing of Fairview Cemetery. If you find errors, please put your correction and source in writing, sign your name, and mail to the Greene County Historical Society so an errata sheet can be prepared.

Records that were utilized in addition to inventoring the cemetery were obituaries, burial records of the Cemetery Custodian, and the files of American Legion Post #22 of Linton, Indiana.
